**MEDNET SOLUTIONS NAMED TO THE INC. 5000 LIST THREE YEARS IN A ROW**

Minnetonka, MN – MedNet Solutions, a global life sciences technology solutions company specializing in clinical study management systems, today announced that for the third consecutive year, it has been named to the Inc. 5000, *Inc.* magazine's annual listing of the nation's fastest growing private companies. MedNet's rapid, yet controlled revenue growth over the last four years places MedNet in the top 5 fastest growing healthcare companies in Minnesota, and in the top 150 fastest growing healthcare organizations nationwide.

"It's a tremendous honor for MedNet to once again be recognized for our continued strong financial performance," said John M. (Rob) Robertson, President and CEO of MedNet Solutions. "The fact that MedNet has been named to the Inc. 5000 for three straight years reflects our ongoing dedication to providing our healthcare customers with exceptional technology solutions, backed by professional services and support that are second to none. MedNet is incredibly well positioned for continued growth and success as a result of three factors: our innovative and industry-leading eClinical solutions, the dedication and commitment of the entire MedNet team, and the strong business relationships we have established with our customers."
