MEDNET SOLUTIONS ANNOUNCES THE RELEASE OF IMEDNET EDC

Minnetonka, MN – MedNet Solutions, a global life sciences technology solutions company specializing in clinical study management systems, is pleased to announce that *iMedNet™ EDC*, the company's innovative, next-generation electronic data capture (EDC) solution, is now commercially available.

iMedNet EDC delivers a practical, affordable, and easy-to-use web-based solution that allows non-technical research personnel to build and manage their own clinical studies. *iMedNet EDC* is unique in that it:

- **Delivers a Next Generation EDC/eClinical Solution** – Built from the ground up, *iMedNet EDC* is a brand new system based on MedNet's extensive, decade-long experience developing proven eClinical solutions.
- **Supports Rapid Study Development** – *iMedNet EDC's* intuitive and efficient configuration tools, form libraries and study replication features allow research studies to be set up in days – not weeks or months.
- **Provides an Affordable, Low Cost Solution** – *iMedNet EDC's* software-as-a-service (SaaS) pricing minimizes upfront fees and dramatically lowers overall costs, making it a practical solution for *all* study types.
- **Ensures Complete Customer Control** – *iMedNet EDC's* easy-to-use Designer Tools allow sponsors, CROs and independent investigators to quickly configure their own studies.
- **Leverages the Latest Technologies** – *iMedNet EDC's* use of current technologies ensures speed and practicality, compliance with industry standards (e.g. 21CFR11, CDISC, HIPAA) and simplicity...as a pure web application, there is no local software to support.

"When it comes to *iMedNet EDC*, seeing is believing," stated Brian Sweeney, Vice President of Corporate Business Development and Co-Founder of MedNet Solutions. "The reactions we've received from CROs and sponsors who have seen the solution in action have been overwhelming...they can't wait to start building their own studies. And the good news is that, as of today, their wait is over."

For more information on *iMedNet EDC*, or to schedule a system demonstration, please call MedNet Solutions at (866) 258-2735, email MedNet at contact@mednetstudy.com, or visit www.mednetstudy.com.
